RE: Antidumping duty scope determination on Aluminum Extrusions from the People's Republic of China (A-570-967)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from TSS, Inc. Commerce issued a final scope determination on 06/15/2015 that TSS, Inc.'s Aluminum Exhibit Wind Sign Frame which TSS, Inc. imports is not within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China (A-570-967).

2. Commerce determined that TSS, Inc.'s Aluminum Exhibit Wind Sign Frame is outside the scope of the order because this product, which comes in either 28 inch by 44 inch completed size kits or 41 inch by 55 inch completed size kits, is finished merchandise containing aluminum extrusions as parts that are fully and permanently assembled and completed at the time of entry. Therefore, TSS, Inc.'s Aluminum Exhibit Wind Sign Frame is not within the scope of the antidumping duty order on aluminum extrusions from the People's Republic of China.

3. For all entries of TSS, Inc.'s Aluminum Exhibit Wind Sign Frame not within scope that remain unliquidated on or after 11/12/2010, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.

4. Refund any cash deposits and release any bonds relating to the Aluminum Exhibit Wind Sign Frame not within the scope described above.

5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Aluminum Exhibit Wind Sign Frame not within scope entered, or withdrawn from warehouse, for consumption on or after 11/12/2010.

6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of aluminum extrusions from the People's Republic of China not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
